Notes: (1) Mississippi, Texas, and Virginia had not yet been readmitted to the Union (following the Civil War) and, as such, did not participate in this election.

(2) The Electors from Florida were appointed by the state legislature, not elected by popular vote.

(3) The 46 total popular votes cast (write-ins) for those other than the two major party candidates mark the lowest such total ever recorded in the popular vote for President (from 1824 to the present).
